

# Beyond the Basics

## March 2010 Crochet Classes

If you've taken a beginner class, or if you already know how to form the basic stitches, these are for you!

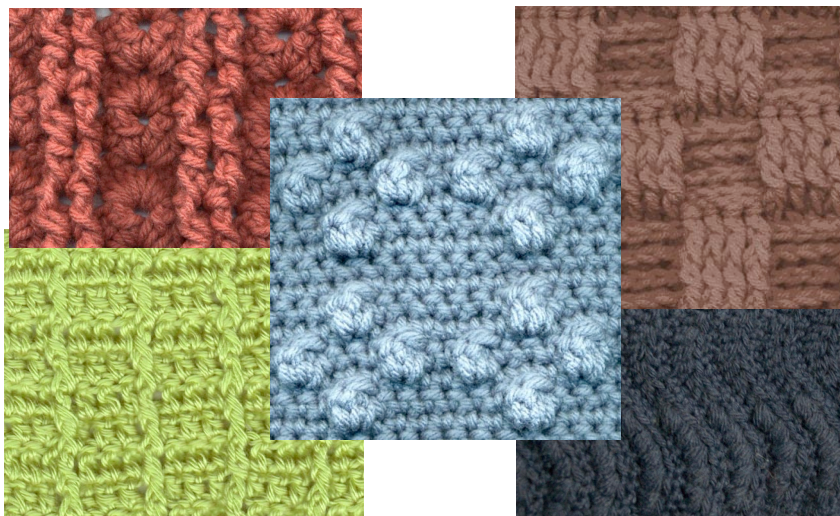

### Crochet in the Round

If you can crochet in rows and want to expand your skills, this class is for you. Learn to crochet in the round, a technique used to make motifs like granny squares and hexagons, hats, and toys. This class will include the basics of increasing and decreasing, working in rounds and in spirals, and tips for keeping your work flat.

**Saturday, March 6, 12:30 p.m. to 3:30 p.m.**

Fee: \$36 (Cost of materials is not included)

Skills required: Basic stitches (single, double crochet), ability to read patterns

### Textured Stich Sampler

Add some texture to your crochet with post stitches, bobbles, popcorns, and cluster stitches. In this class you will learn many different stitches and leave with a collection of pattern stitches to add dimension to your crocheted projects.

**Saturday, March 13, 12:30 p.m. to 3:30 p.m.**

Fee: \$36 (Cost of materials is not included)

Skills required: Basic stitches (single and double crochet), ability to read patterns

**Pre-registration with payment required. For more information or to register, visit [www.undergroundcrafter.com](http://www.undergroundcrafter.com).**

Classes meet at University Settlement's Houston Street Center  
273 Bowery near the corner of Houston Street  
New York, NY 10002
